Yes, I'll make sure the impacted BIDs are aware of the closure and if you could send me a list of any possible changes or requests for the closure, I'll make sure the event organizers are aware and follow up with you (and that they need the BID notification sheet to be signed off by you) before getting full approval.

Good afternoon, Lilie-

But if we don't meet, would that give the committee time to respond and the parties to come back for approval if any changes were requested?

**Subject:** Street Closure Committee Meeting

Hi all,

We will be canceling this meeting tomorrow. There aren't enough groups for the agenda to make it worthwhile. I'll be in touch with specific BID areas for the one event we had confirmed for tomorrow.

Thanks!

Lilie
